Registration OPEN only to
Physicians/Medical Researchers/Medical Students

The Consul General of Italy in Miami Cristiano Musillo is pleased to invite you to celebrate the “Italian Research Day in the World”. The initiative, which will be held on April 15th 2021, is open only to physicians and medical researchers and will feature contributions in oncology from the following renowned institutions:

H Lee Moffitt Cancer Center & Research Institute – *Tampa* – Dr. Stefano Pasetto

Istituto Europeo Oncologico – *Milano* – Dr. Francesca Spada

Istituto Nazionale dei Tumori – *Milano* – Dr. Alessandro Gronchi

Istituto Ortopedico Rizzoli – *Bologna* – Dr. Alessandro Gasbarrini

Sylvester Comprehensive Cancer Center – *Miami* – Dr. Barbara Bedogni, Dr. Paolo Serafini

A Q&A session and a network break room session to follow.

Objective: To strengthen the cooperation between Italian and US medical professionals in the fight against cancer.
